Brand

Logo & usage

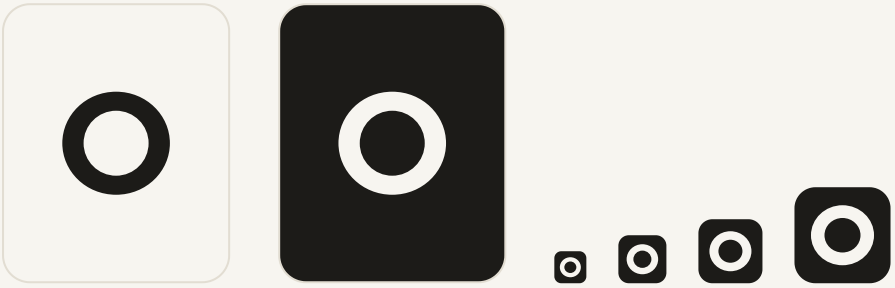

A lowercase wordmark with leaf-shaped terminals on the r and l: soft where it meets the reader, precise everywhere else.

Wordmark

Mark and favicon

The compact mark is the wordmark's “o”. Below 20 px of wordmark height, use the mark.

Rules

- Clear space: at least the width of the “o” counter on every side.
- Minimum wordmark height 20 px on screen; use the mark below that.
- Use graphite, off-white, white, black or the accent. No gradients, outlines, shadows or effects.
- Pronounced OR-loh. Written lowercase in the logo, “Orlo” in running text.

✓ Do

Place the wordmark on a calm, solid background with strong contrast.

× Don’t

Place it on a busy photo or a low-contrast tint.

✓ Do

Scale it proportionally.

× Don’t

Stretch, rotate, re-letter or recolour individual letters.
